Re: Sports Leadership Qualification – Practical Leadership Experience

Dear Parent/Carer,

Your child has been selected to support the delivery of a netball fixture **on Wednesday 7th October 2026**. The fixture will take place at Q3 Academy Langley and is due to finish at approximately 17:30pm. **Please ensure that you have arranged for transport home from Q3 Academy Langley at approximately 17:30pm.**

As part of the **Level 1 Sports Leadership Qualification**, students are required to demonstrate and develop their leadership skills through practical experience. An important element of the qualification involves supporting the organisation and delivery of sporting events and competitions.

By taking part, students will gain valuable experience in areas such as communication, teamwork, organisation, problem-solving and responsibility. They may be involved in a variety of leadership roles including officiating games, organising participants, recording results, managing equipment and supporting staff with the smooth running of the event.

Participation in these events plays an important role in the completion of the qualification and provides students with the opportunity to apply the skills they have been developing in a real-life setting.

Please complete the attached permission slip allowing your child to take part in this fixture and return to Reception by no later than **Monday 5th October 2026**. Thank you for your continued support.

Yours faithfully,

D. Farrant
